

# A Quality Roofing Contractor

**Is licensed and insured**

- General liability
- Workers' compensation

**Has been in business for at least 5 years**

**Installs shingles based on the instructions of the Shingle Applicators Manual**

**Is a CertainTeed**

# Roof Deck

A good roof deck is the foundation for the rest of the roof. If your existing deck is damaged in any way, your contractor will need to replace those boards in order to insure the integrity of the remaining system components.

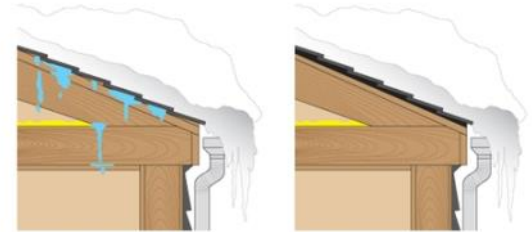

# Winterguard™ Underlayment

Winterguard waterproofing shingle underlayment prevents leaks from wind-driven rain and ice dams in vulnerable areas.

## WinterGuard™

**Problem**

**Solution**

Be sure to include **WinterGuard™** as part of your new roof system.

SAINT-GOBAIN

# Roofers Select™ Underlayment

Roofers Select provides a protective water-resistant layer over the roof deck and a secondary barrier against leaks.

Reinforced with fiberglass to provide extra resistance to wrinkling and tear from fasteners.

# Starter Shingles

Starter shingles are designed to work specifically with each different type of CertainTeed shingle for maximum performance.

# CertainTeed Shingles

High-quality shingles available in a wide variety of styles and colors, covered by the strongest warranty in the business.

Flintastic™ roll roofing products are also available for flat roof areas.

# Hip & Ridge Accessories

Accessory shingles are used to finish the hips and ridges of the roof and are designed to complement the appearance of CertainTeed shingles.
